

Ceragon Networks to Announce Third Quarter 2024 Financial Results and Host Investor Conference Call on November 13, 2024

Rosh Ha'ain, Israel, October 22, 2024 - Ceragon (NASDAQ: CRNT), the global innovator and leading solutions provider of 5G wireless transport, today announced that it will release its earnings results for the third quarter ended September 30, 2024 on Wednesday, November 13, 2024, before the market opens.

The Company will host a Zoom conference call on the same day at 8:30 a.m. ET to discuss the results, followed by a question-and-answer session for the investment community. Investors are invited to register by clicking [here](#). All relevant information will be sent upon registration.

If you are unable to join the live call, a replay will be available on our website at www.ceragon.com within 24 hours after the call.

About Ceragon

Ceragon (NASDAQ: CRNT) is the global innovator and leading solutions provider of end-to-end wireless connectivity, specializing in transport, access, and AI-powered managed & professional services. Through our commitment to excellence, we empower customers to elevate operational efficiency and enrich the quality of experience for their end users.

Our customers include service providers, utilities, public safety organizations, government agencies, energy companies, and more, who rely on our wireless expertise and cutting-edge solutions for 5G & 4G broadband wireless connectivity, mission-critical services, and an array of applications that harness our ultra-high reliability and speed. Ceragon solutions are deployed by more than 600 service providers, as well as more than 1,600 private network owners, in more than 130 countries. Through our innovative, end-to-end solutions, covering hardware, software, and managed & professional services, we enable our customers to embrace the future of wireless technology with confidence, shaping the next generation of connectivity and service delivery. Ceragon delivers extremely reliable, fast to deploy, high-capacity wireless solutions for a wide range of communication network use cases, optimized to lower TCO through minimal use of spectrum, power, real estate, and labor resources - driving simple, quick, and cost-effective network modernization and positioning Ceragon as a leading solutions provider for the "connectivity everywhere" era.
