

Ceragon Networks to Announce Fourth Quarter and Full-Year 2023 Financial Results and Host Investor Conference Call on February 20, 2024

Rosh Ha'ain, Israel, February 5, 2024 – Ceragon Networks Ltd. (NASDAQ: CRNT), the global innovator and leading solutions provider of 5G wireless transport, today announced that it expects to release its earnings results for the fourth quarter and full-year ended December 31, 2023, on Tuesday, February 20, 2024, before the market opens. Management will host a Zoom conference call on the same day at 8:30 a.m. ET to discuss the results, followed by a question-and-answer session for the investment community.

Investors are invited to register by clicking [here](#). All relevant information will be sent upon registration. If you are unable to join the live call, a replay will be available on our website at www.ceragon.com within 24 hours after the call.

The timing of the quarterly earnings release and conference call are subject to change given the fluid nature of the ongoing situation in Israel.

About Ceragon Networks

Ceragon Networks Ltd. (NASDAQ: CRNT) is the global innovator and leading solutions provider of 5G wireless transport. We help operators and other service providers worldwide increase operational efficiency and enhance end customers' quality of experience with innovative wireless backhaul and fronthaul solutions. Our customers include service providers, public safety organizations, government agencies and utility companies, which use our solutions to deliver 5G & 4G broadband wireless connectivity, mission-critical multimedia services, stabilized communications, and other applications at high reliability and speed.

Ceragon's unique multicore technology and disaggregated approach to wireless transport provides highly reliable, fast to deploy, high-capacity wireless transport for 5G and 4G networks with minimal use of spectrum, power, real estate, and labor resources. It enables increased productivity, as well as simple and quick network modernization, positioning Ceragon as a leading solutions provider for the 5G era. We deliver a complete portfolio of turnkey end-to-end AI-based managed and professional services that ensure efficient network rollout and optimization to achieve the highest value for our customers. Our solutions are deployed by more than 600 service providers, as well as more than 1,600 private network owners, in more than 130 countries. For more information please visit: www.ceragon.com
